

# Scope Statement for our Project

- Product Scope description

ShapeUp will allow users to stay fit from the offered diets, exercises, and choosing personal coaches. They can also find fitness playlists and some success stories in order to motivate themselves to work hard to ShapeUp.

- Project Deliverables

1. Creating a fitness website to give access to diets and exercises.
2. Availing personal coaches and customized diet plans

- Project Exclusions

Since being healthy is the most important value in one's life. People will be expected to support the pathways with their time and expertise.

- Project Constraints

1. ShapeUp should follow values of WHO
2. ShapeUp should be implemented within 2 weeks
3. Budget/time/resources and personell limitations
